

Season's Greetings Palm Pointe Families!

We are jolly to host the Holiday Shop again this year and invite every student to participate! To help insure a fun and fair experience for everyone we will be following the schedule below. Elementary students will come during their technology resource class. We accept cash, check, credit cards and pre-purchased vouchers (as described in the Wonderland Gift Shoppes letter on the reverse of this page). This voucher is a wonderful option but please remember to print out the voucher code and bring to school on your shopping day. Since there are times we cannot access the system ourselves this will help prevent confusion, and save time. Students who come with money or another payment type will shop on their scheduled day. Students who are absent or forget their money on their scheduled day will have the opportunity to shop during their grade's make-up time. Please note, because of the volume of students we need to serve, we ask that students shop once. We look forward to seeing you in the Holiday Shop!
